## Our Mission

Meadowood Manor is a Personal Care Home and Independent Living Complex founded by the Manitoba Baptist Churches. Our mission is to provide a Christian care facility and programs developed primarily for elderly residents. Guided by the compassion of Christ, we pursue our mission by developing and managing human resources, facilities and programs to satisfy our resident's physical, social, emotional and spiritual needs. Our goal is to provide a Christian setting that preserves the personal dignity of our residents in a peaceful, safe, respectful and supportive environment

## By Volunteering Your Time

- You will enhance our residents' quality of life and enrich their social environment.
- You will provide increased opportunities for residents' participation in programs.
- You can share life interests with our residents and staff.
- You provide opportunities for residents to interact with people of various ages and backgrounds from the community.
- You gain new knowledge, skills, and experiences.

(To be His hands, His feet, His eyes, His ears, His voice).
